WHY BLUESTAR

MORE THAN A BOX IN A WAREHOUSE.

The stock, services and people to help you deliver the full solution.

01 STOCK WHEN YOU NEED IT

Selected terminals, SoftPOS-ready devices and cash drawers are stocked in the Netherlands, ready for next-day dispatch across Europe.

02 PREPARED FOR DEPLOYMENT

Our value-added services team can stage devices and prepare software so solutions arrive ready to deploy.

03 A CREDIT LINE TO SUPPORT GROWTH

Flexible credit facilities help you manage cash flow and take on new payment opportunities as your business grows.

04 YOUR DEDICATED ACCOUNT MANAGER

A dedicated BlueStar account manager helps you find the right solutions, access specialist support and develop new opportunities.

A WIDER POS ECOSYSTEM

BlueStar also supports POS, mobile POS, self-service and digital signage. Our hardware portfolio and trade-only ISV network help you complete solutions beyond payments.

CASH AND DIGITAL BELONG TOGETHER.

Customer choice still includes cash. APG offers everyday drawers and connected options that can help simplify cash handling.
