Comprehensive Solutions for Point of Sale

Stylist In-a-Box | Point of Sale is a turnkey solution that combines the top of the line rPOS system from HP and MIKAL's easy to use Salon & Spa software. With MIKAL pre-loaded and the hardware pre-configured, salons and spas can run their businesses more efficiently by:

- Eliminating paperwork and freeing up 4 weeks of work a year
- Cutting inventory costs by 20% and placing orders in seconds
- Motivating staff with powerful goal setting reports
- Automating e-marketing to clients every week, including email/text appointment confirmations
- Controlling cash flow and business management

This complete Point of Sale bundle is easy to implement and allows salons and spas to quickly and easily begin ringing up sales!

Stylist In-a-Box | Point of Sale is available exclusively at BlueStar!
