Designed for conference rooms and huddle rooms, the Conference Camera delivers full HD video with wide viewing angles, an adjustable slider and 25° tilt that supports both vertical and horizontal adjustment. Choose whether you want to mount it on the top or on the side of your interactive display and simply attach, orient the camera and you’re ready to start your meeting.

The Conference Camera is compatible with all major web conferencing applications, including Microsoft Teams, Zoom, Cisco Webex, GoToMeeting and BlueJeans.

**Product Overview**

- **Flexible Positioning**
- **Easy to Install**
- **Full HD with Wide Viewing Angles**
