### NICS Act Record Improvement Program (NARIP)

Fiscal Year	Funding Source	Application Deadline	Budget/Appropriation
2015	DOJ	05/07/2015	\$25,000,000.00
<b>Program Overview</b>			
<p>The NICS Act Record Improvement Program is intended to improve the completeness, automation, and transmittal of records used by the NICS to state and federal systems. Such records include criminal history records, records of felony convictions, warrants, records of protective orders, convictions for misdemeanor involving domestic violence and stalking, drug arrests and convictions, records of mental health adjudications, and others, which may disqualify an individual from possessing or receiving a firearm under federal law. Helping states and state court systems to automate these records will also reduce delays for law-abiding gun purchasers.</p>			
<b>Eligibility</b>			
<p>Eligible applicants are limited to (a) the agency designated by the Governor to administer the NARIP, (b) the state or territory central administrative office or similar entity designated by statute or regulation to administer federal grant funds on behalf of the jurisdiction's court system, or (c) federally recognized Indian tribal governments as determined by the Secretary of the Interior.</p>			
<b>Match Requirement</b>			
<p>This solicitation does not require a match. However, if a successful application proposes a voluntary match amount, and OJP approves the budget, the total match amount incorporated into the approved budget becomes mandatory and subject to audit.</p>			
<b>Applications</b>			
<p>Applicants must register with Grants.gov prior to submitting an application. All applications are due to be submitted and in receipt of a successful validation message in Grants.gov by 11:59 p.m. eastern time on May 7, 2015.</p>
