

THE RECOGNIZED LEADER OF SUPERIOR QUALITY CASH DRAWERS

HEAVYDUTY

# POS PODIUM CASH DRAWER

UNIQUELY LOCATED ABOVE  
THE SCANNER

Enhances customer contact and speeds payment transactions. Improves ergonomic comfort and provides better open-till security. Builds on APG's reputation as the recognized leader.

## The efficient design of the POS-Podium

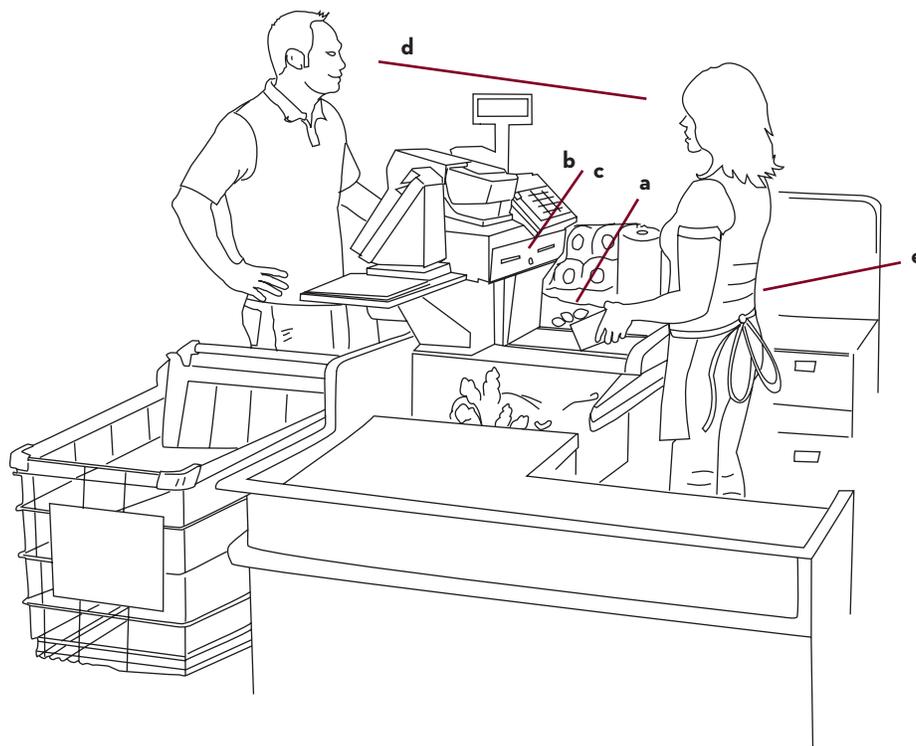

cash drawer organizes peripherals into a fast and friendly check out solution that builds on APG's reputation as the recognized leader. With a unique location above the scanner, the POS-Podium cash drawer improves ergonomic comfort, enhances customer contact with face-to-face orientation, and ensures the till will not be left open. The systems layout eliminates the need for a side counter, saves space for increased merchandising, improves security when accessing the till and increases productivity by saving up to 5 seconds on each payment transaction. Removable panels ensure easy cable routing and installation. A flip up base design provides for easy service to the scanner.

APG CASH DRAWER®

# OUR POS-PODIUM CASH DRAWER

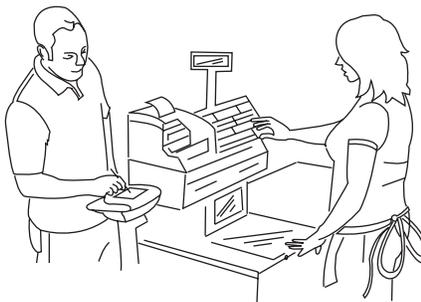

## AN EFFICIENT, CUSTOMER FACING SOLUTION

### Customer Facing Activities Throughout The Process

#### a | Scanning

Correct forward-facing posture.

#### b | Efficient Work Station

Saves up to 5 seconds on payment transaction.  
All peripherals located within easy reach.

#### c | Security

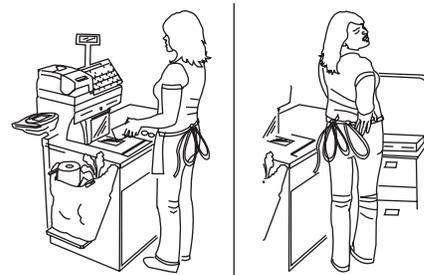

Provides better open-till security.

#### d | Contact With The Customer

Forward facing payment transaction means  
no turning away toward a side counter.

### Ergonomic Comfort

#### e | Improves Ergonomic Comfort

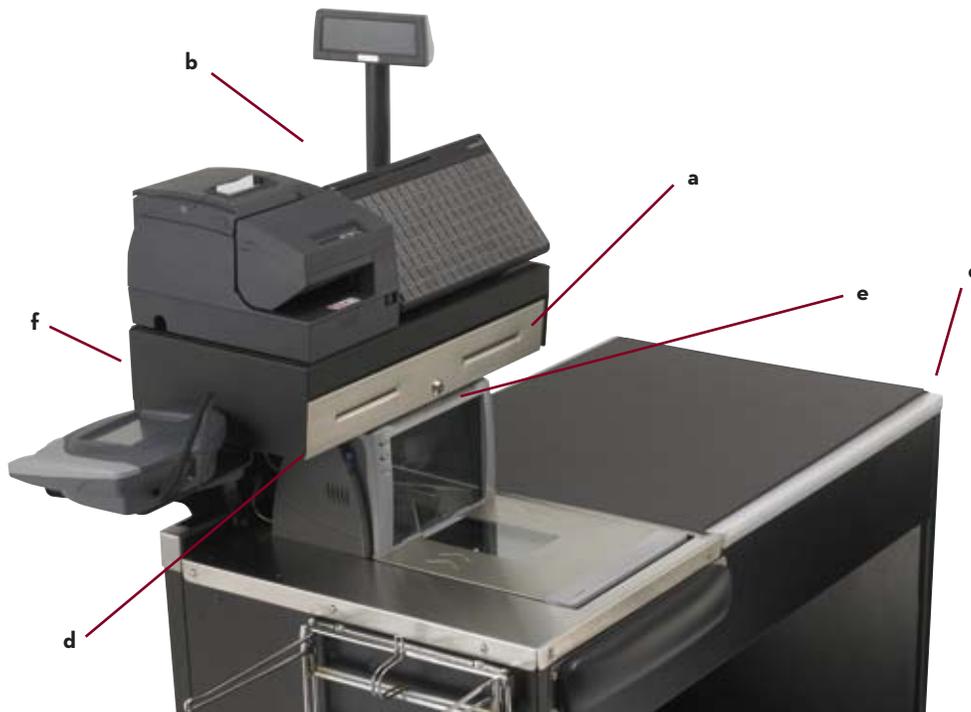

Eliminates fatigue from repetitive twisting  
and turning.

#### f | Easy Access To The Till

Unique inclined till located at the lowest  
possible height above the scanner.
