

THE PAYMENTS OPPORTUNITY

ADD PAYMENTS TO YOUR PORTFOLIO.

Your customers already need to take payments. BlueStar can help you add terminals, SoftPOS and cash management to the solutions you sell.

TURN EXISTING PROJECTS INTO BROADER SOLUTIONS.

Add payment acceptance and cash handling to POS, mobile and self-service projects.

01

PAX

ANDROID TERMINALS

Devices for modern POS and payment deployments.

02

VIVA.com

SOFTPOS

Mobile payment acceptance for flexible selling.

03

APG

CASH MANAGEMENT

Everyday drawers and connected cash solutions.

ONE SPECIALIST PARTNER. MORE WAYS TO GROW.

WHY BLUESTAR

MORE THAN A BOX IN A WAREHOUSE.

The stock, services and people to help you deliver the full solution.

01 STOCK WHEN YOU NEED IT

Selected terminals, SoftPOS-ready devices and cash drawers are stocked in the Netherlands, ready for next-day dispatch across Europe.

02 PREPARED FOR DEPLOYMENT

Our value-added services team can stage devices and prepare software so solutions arrive ready to deploy.

03 SPECIALIST GUIDANCE

Our POS & Payments team can help configure compatible solutions and coordinate staging or install partners.

04 ROOM TO GROW

Flexible payment terms can support your business as you build your payments portfolio.

A WIDER POS ECOSYSTEM

BlueStar also supports POS, mobile POS, self-service and digital signage. Our hardware portfolio and trade-only ISV network help you complete solutions beyond payments.

CASH AND DIGITAL BELONG TOGETHER.

Customer choice still includes cash. APG offers everyday drawers and connected options that can help simplify cash handling.
