

# In-a-Box® SOLUTIONS

SUPPLY CHAIN SOLUTIONS

## A Warehouse Wonderland

**Microlistics**  
WISETECH GLOBAL GROUP

**Hardware:** TC52 mobile computer + ZD600 desktop printer + NewCastle Systems LT Series Industrial Laptop Cart

**Software:** Your Warehouse on Wheels!

**One-liner:** Valuable data for your infrastructure

**Solution:** Maximize productivity in warehouse and logistics operations by eliminating unproductive walk time with a mobile workspace that's ready for any printing, labeling and scanning workflow. Newcastle Systems' mobile powered workstations are available in a number of flexible designs with options to power and accommodate Zebra rugged tablets, industrial printers, and barcode scanners to create a complete mobile workspace solution.
