

EPSON[®]
EXCEED YOUR VISION

Epson[®] POS Printers

Proven. Flexible. Quality.

Epson Receipt Printers

For over 30 years, Epson's advanced technology has been an integral part of millions of point-of-sale (POS) systems around the world. Today, Epson continues to bring industry-leading open architecture and smart technology to the POS industry.

Our broad line of receipt printers is engineered for reliability and includes tools for easy integration to fit your needs. We offer printing solutions including:

- Traditional Receipt Printers
- Portable Wireless Receipt Printers
- mPOS Receipt Printers
- Kitchen Printers
- Kiosk Receipt Printers

How They Work

Epson is a market leader in receipt printers as well as a preferred choice for the industries we serve. Epson receipt printers offer:

- Multi-platform compatibility — support a wide range of software (iOS®, Android™, Windows® and Linux®) and POS devices
- Broad portfolio — support printing with countertop, wall-mounted or wearable offerings; easy-to-use designs for indoor and outdoor environments
- Outstanding support — you can count on Epson's dedicated technical resources to support your unique customer applications

Traditional Receipt Printers

Epson offers high-performance thermal receipt printers engineered for reliability.

OmniLink® TM-T88VII

Industry-leading print speeds¹ and flexible connectivity

- Prints 3" receipts
- Print speeds up to 500 mm/sec²
- Flexible connectivity options, including built-in USB and Ethernet

OmniLink TM-H6000V

Powerful receipt printer with built-in check processing

- Prints 3" receipts
- Print speeds up to 350 mm/sec²
- Flexible connectivity options, including built-in USB and Ethernet

Portable Wireless Receipt Printers

Mobilink™ Printers

Mobilink wearable portable receipt printers feature a compact, rugged design and improved connectivity, providing high-quality prints on the go.

Mobilink TM-P80II Plus:

Prints 3" receipts; includes auto cutter and de-curler

Mobilink TM-P80II: Prints 3" receipts

Mobilink TM-P20II: Prints 2" receipts

Mobilink TM-P60II: Prints 2" receipts or labels

mPOS Receipt Printers

Epson's mSeries line of thermal 3" receipt printers easily supports traditional PC-POS, mPOS and cloud-based POS systems. These printers offer a broad range of interface connectivity options to meet the demands of today's environments.

OmniLink TM-m50II:

Ultra fast print speeds of up to 500 mm/sec² and versatile connectivity

OmniLink TM-m50II-H:

Ultra fast print speeds of up to 500 mm/sec² and advanced tablet support including USB network tethering

Kitchen Printers

Epson receipt printers help optimize your front- and back-end restaurant operations, from online ordering to kitchen production.

TM-U220

- Proven design for harsh kitchen environments
- Prints receipts up to 3"
- Print speeds of up to 6.0 lps
- Two-color printing for highlighting offers or order exceptions

Kiosk Receipt Printers

Epson kiosk thermal receipt printers offer a convenient mounting kit, remote management and effortless troubleshooting and serviceability.

EU-m30 Kiosk Thermal Receipt Printer

- Compact and efficient with easy mounting kit
- Remote monitoring support for less downtime
- Effortless integration and serviceability
- Fast receipt printing—print speed up to 250 mm/sec

¹ Compared to single station thermal receipt printers available in the U.S. as of June 2021, based on manufacturers' published specifications. Speed based on using 80 mm wide media only and Epson's PS-190 or PS-180 power supply. Configurations not including the PS-190 or PS-180 will have a default print speed of 450 mm/sec.

² Speed based on using approved Epson media. For more information, please visit www.epson.com/testedmedia

³ Product comes with a limited warranty with the option to purchase Extended Service Plans up to a total of 5 years of continuous coverage. Limited warranty length varies by model. Must be purchased within 30 days of product purchase.
