

Remove IT drama from your school's curriculum

Take control and reduce IT headaches with scalable, reliable and secure computing solutions from SNUC.

Seamless integration that keeps classrooms running

Easy for Teachers

Seamlessly connect mobile, tablet, and desktop devices with existing smart boards and displays.

Unmatched Reliability

Engineered for 24/7 operation with minimal downtime, ensuring lessons run smoothly.

Flexible and Scalable

Customizable systems that grow with your needs, from small classrooms to district-wide implementations.

Integration

Compatible with the technology you already use, reducing setup time and avoiding compatibility issues.

Effortless Maintenance

Simplify troubleshooting with robust, reliable devices designed for long-term use and easy upgrades.

Energy Efficient

Compact designs that reduce energy consumption while delivering high performance.

GSA and OMNIA Partners pricing available.

Built to Spec.
Built to Last.
Built for the Edge.

The future isn't in the cloud – it's right at the Edge.
Deploy smarter, faster, and closer to where data happens.

**Building for
the Edge
with you.**
