TOUCH DYNAMIC

Nexus (11.6") Touchscreen Computer

Introducing the innovative and powerful Nexus Android Series solution: the 11.6" Nexus Touchscreen. Powered by a MediaTek CPU and supporting Android 13 with GMS (Google Mobile Services), this sleek unit delivers a seamless interactive experience through its 11.6" LCD widescreen capacitive touch display. Designed for versatility, it also supports rear display options and multiple payment integrations. Its wall-mountable design provides added flexibility and space-saving convenience, making it the smart choice for modern business environments.

Discover the Touch Dynamic Difference.

DESIGNED AS AN IDEAL SOLUTION FOR:

Restaurants

Casino

Retail

Entertainment
