

Quest Rugged Industrial Tablet

The Quest Rugged Tablet delivers strong performance, reliable connectivity, and durable construction for a variety of demanding environments. Powered by Intel® Core i5 or i7 processors with 16GB of memory and up to 512GB of storage, it runs Windows applications smoothly in demanding conditions. Its 10.1" IPS display provides clear visibility indoors or outdoors, and built-in WiFi 6, Bluetooth 5.1, optional 4G, and a full range of ports keep teams connected. With IP65 protection and optional accessories like a docking charger, hand strap, and vehicle mount, the Quest is built to handle every job with confidence.

Discover the Touch Dynamic Difference.
