

ZEBRA

PRINTER MOUNT FOR ZQ630

WITH MEDIA ROLLER & QUICK RELEASE POWER DOCK

- ▶ Rigid powder-coated steel mounting platform for ZQ630 printer and print media roll
- ▶ Supports print media up to 4 inches wide and 8 inches in diameter
- ▶ Media core roller is 0.47 inches diameter (12 mm)
- ▶ Easily secures to vehicles or any flat solid surfaces
- ▶ Quick Release Power Dock keeps printer powered and enables easy removal for service

This printer mount offers an easy and secure way to mount your ZQ630 printer and includes an external roller for large rolls of labels or media.

The Quick Release Power Dock keeps the printer secured while powering the device. It enables easy removal of the printer for maximum functionality and is designed to use the Zebra power supplies for vehicles.

The barrel jack accommodates Zebra power supplies P10031359, P1031365-024 and AK18913-003.
